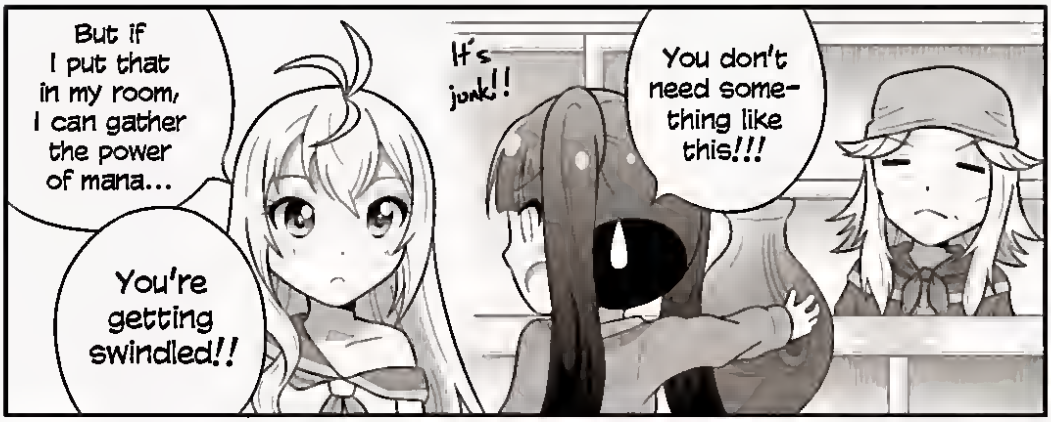
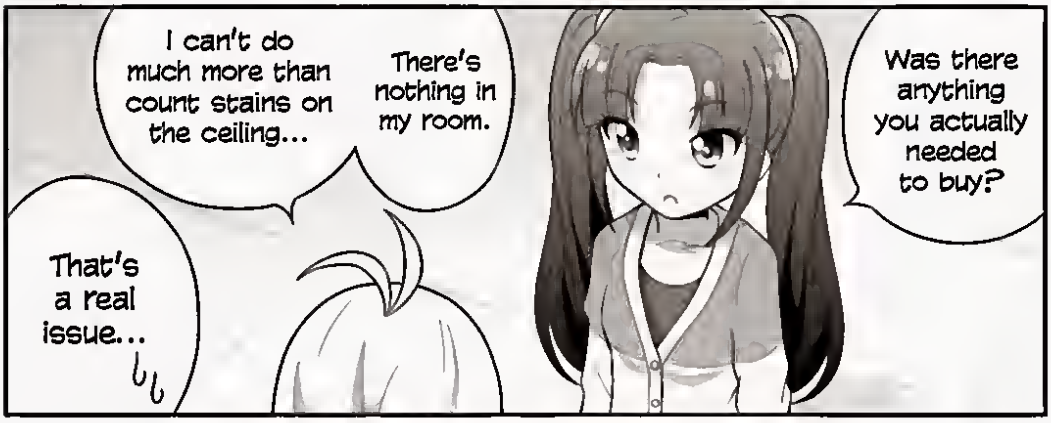
Shopping

I don't have any plans today.
Guess I can wander around town...
What do ya think of this?
It's Ange.
I wonder what she's buying.
A good luck vase.
HOLD ON A SEC !!!

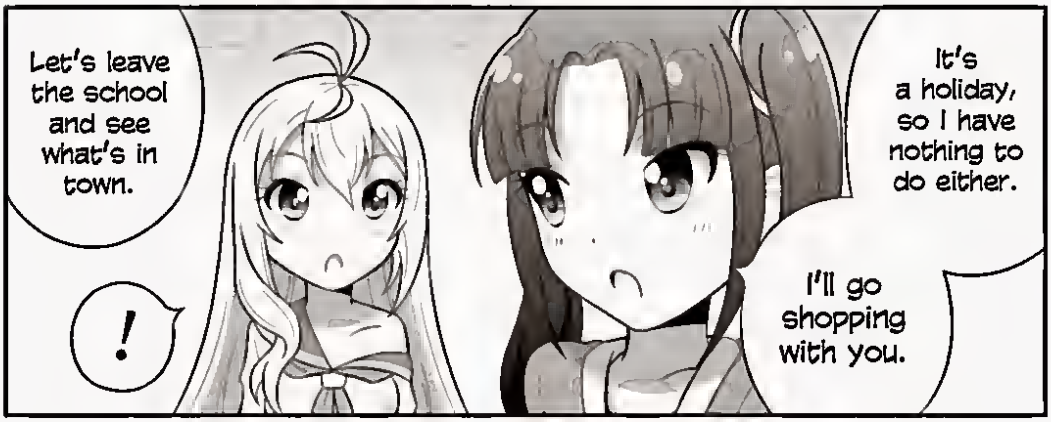
Going Out



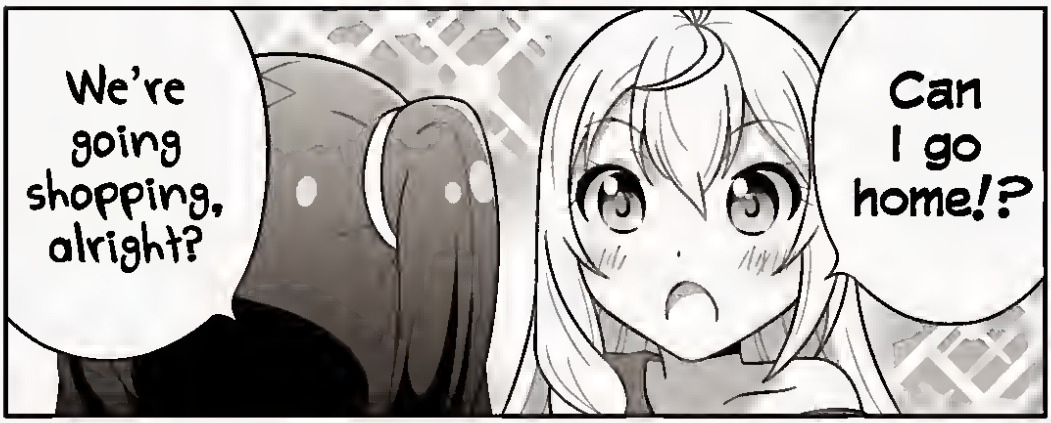
But if I put that in my room, I can gather the power of mana...
You're getting swindled!!
It's junk!!
You don't need something like this!!!



I can't do much more than count stains on the ceiling...
There's nothing in my room.
That's a real issue...
Was there anything you actually needed to buy?

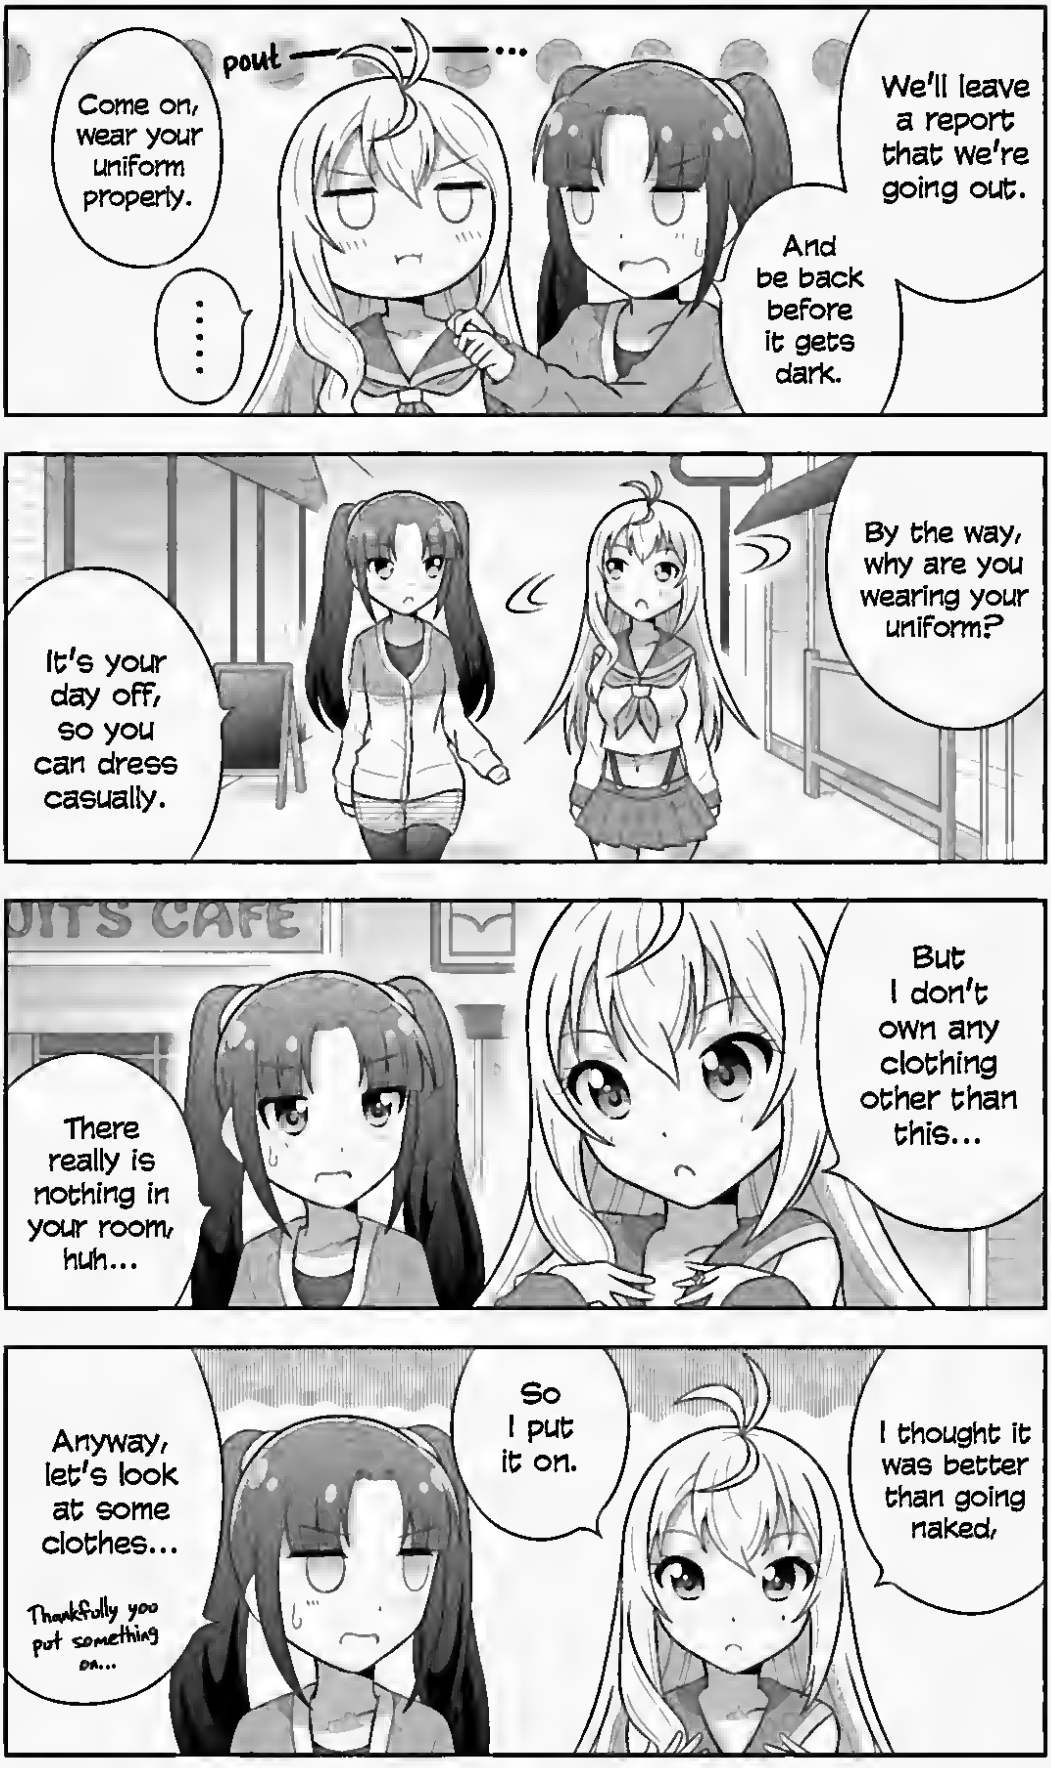


Let's leave the school and see what's in town.
!
It's a holiday, so I have nothing to do either.
I'll go shopping with you.

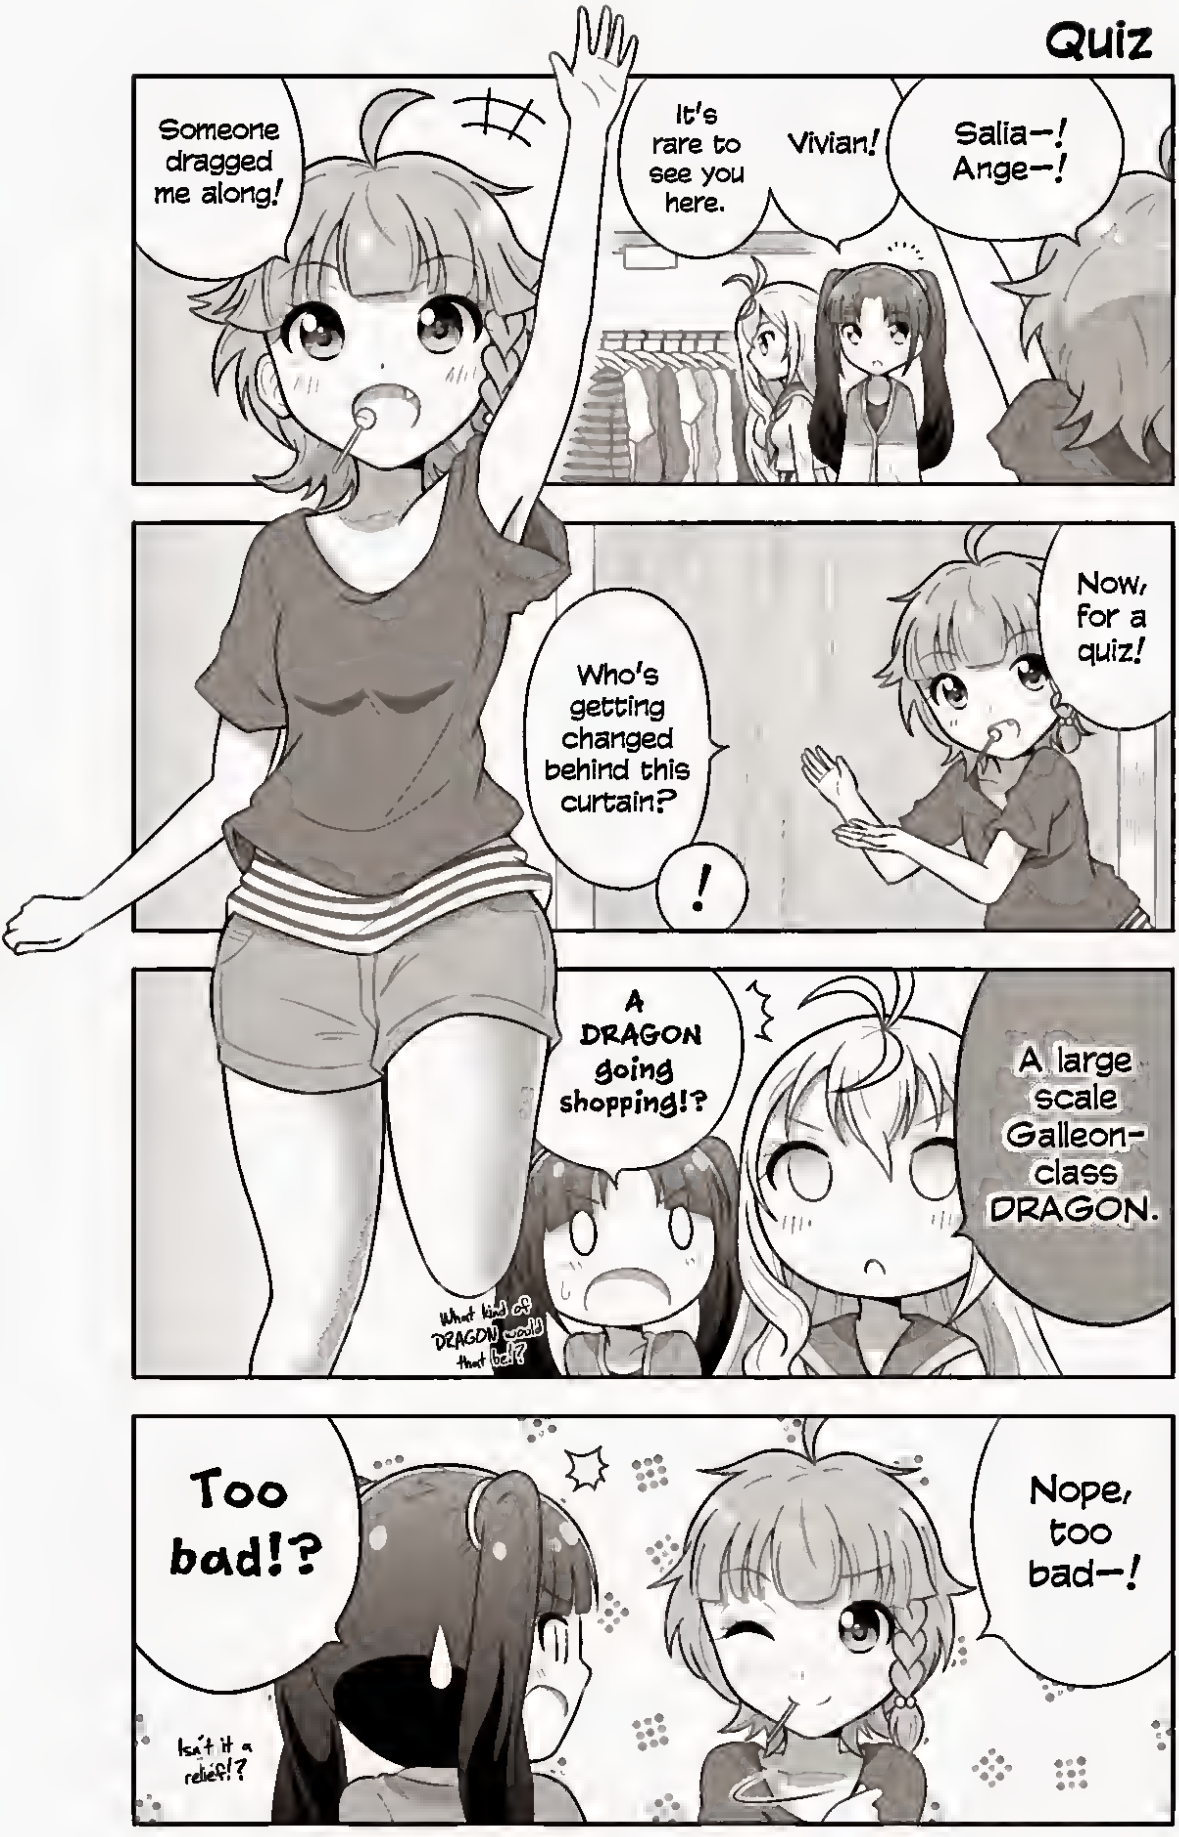


We're going shopping, alright?
Can I go home!?

Uniform, or...



pout
Come on, wear your uniform properly.
.....
We'll leave a report that we're going out.
And be back before it gets dark.
By the way, why are you wearing your uniform?
It's your day off, so you can dress casually.
But I don't own any clothing other than this...
There really is nothing in your room, huh...
So I put it on.
I thought it was better than going naked,
Anyway, let's look at some clothes...
Thankfully you put something on...



Someone dragged me along!
It's rare to see you here.
Vivian!
Salia–! Ange–!
Who's getting changed behind this curtain?
!
Now, for a quiz!
A DRAGON going shopping!?
What kind of DRAGON would that be!?
A large scale Galleon-class DRAGON.
Too bad!?
Isn't it a relief!?
Nope, too bad–!

Answer to the Quiz

If We're Not Together...

I'll help-!!
Is there anything else you need?

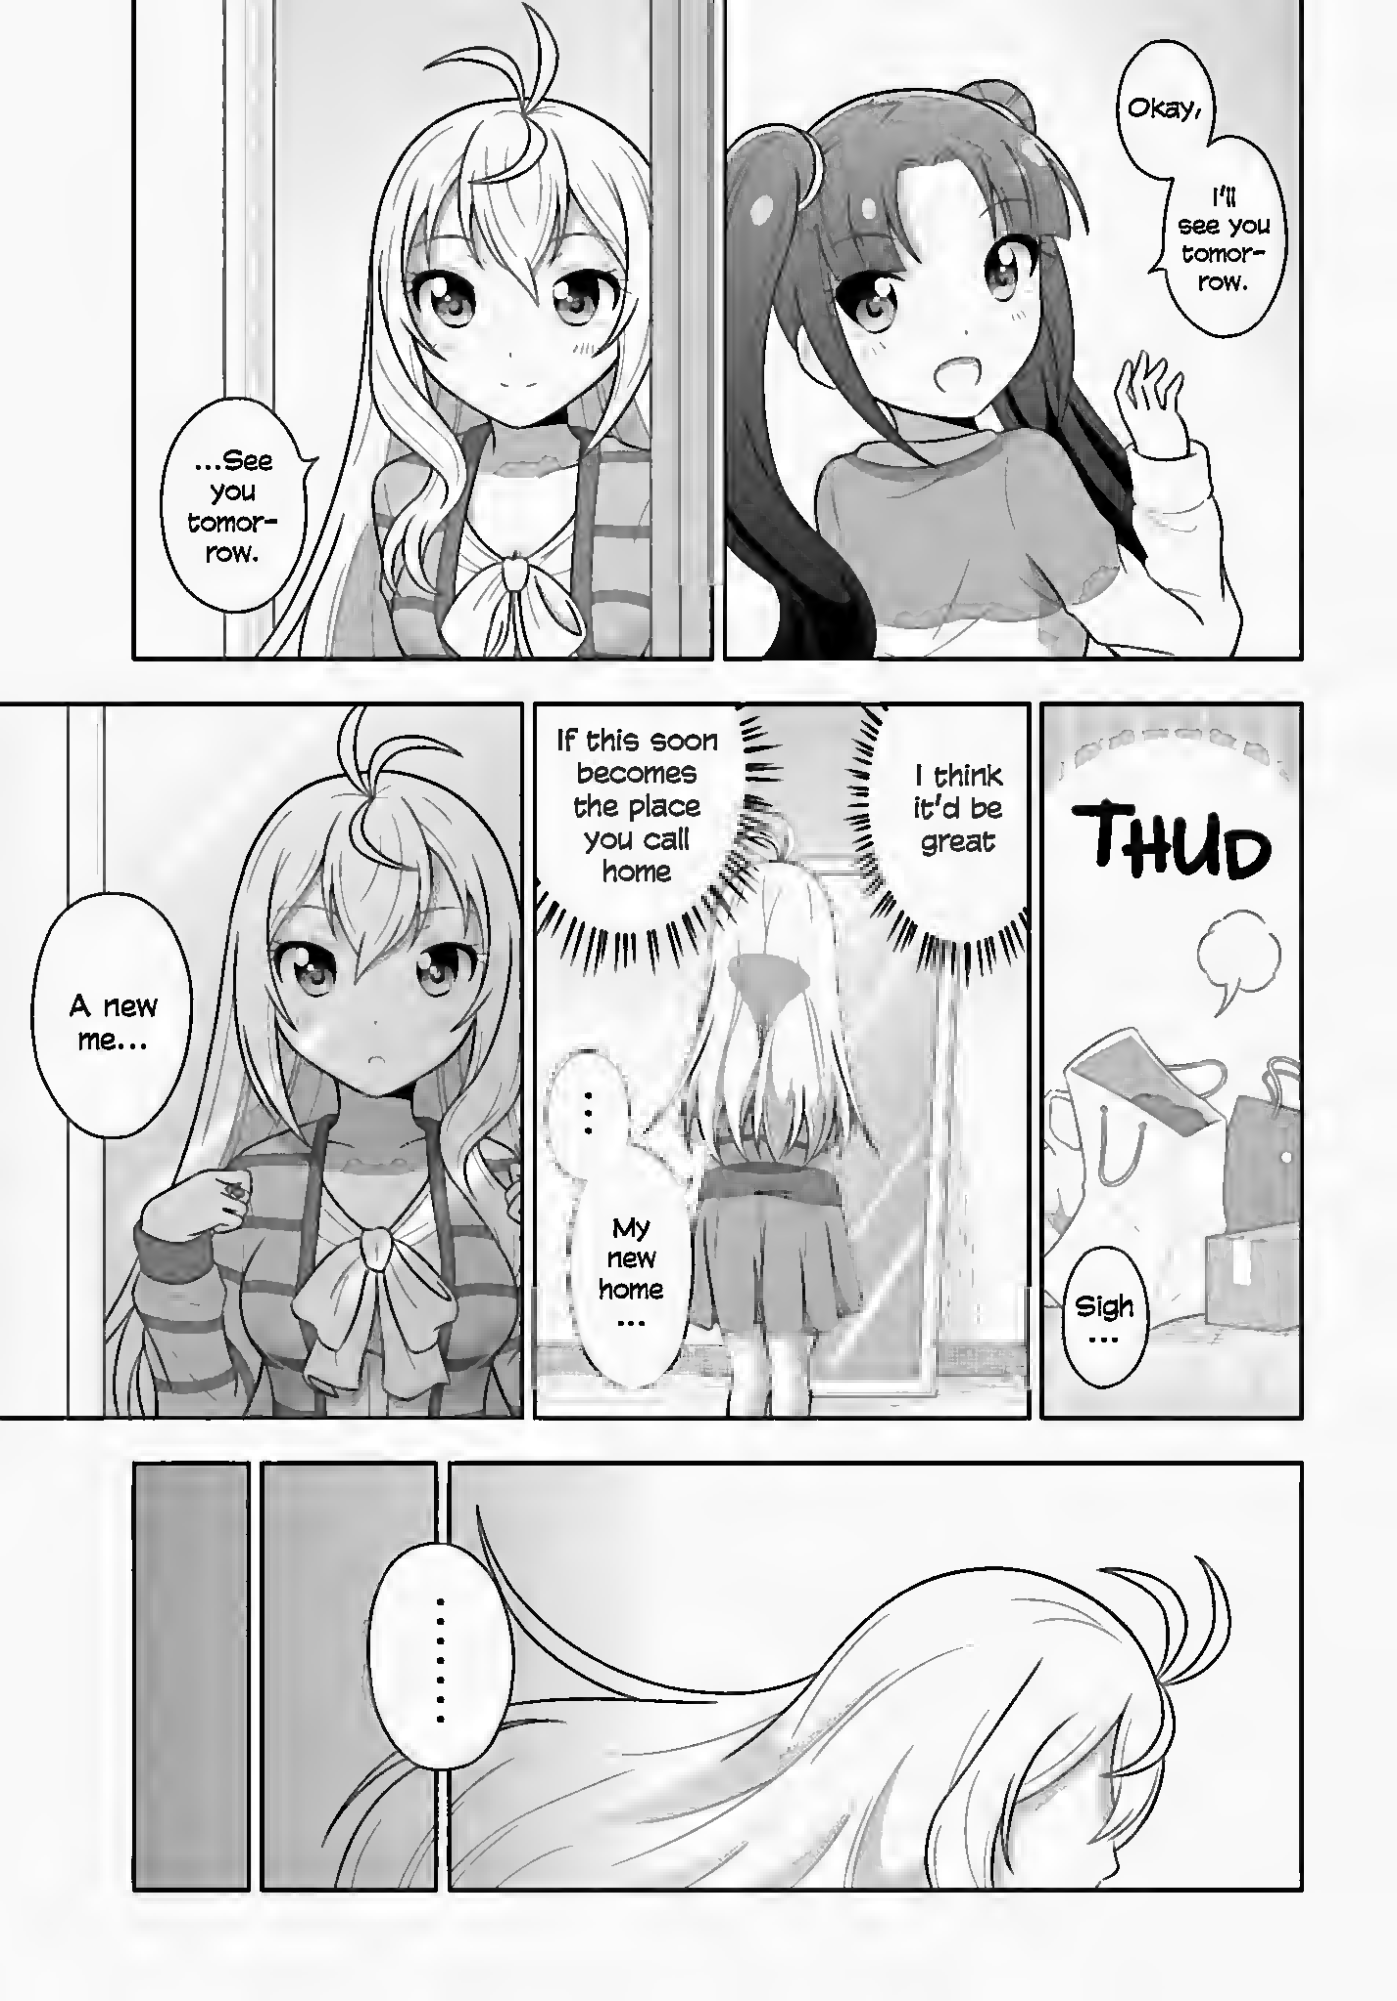
Thank you for today...

It's a good thing you didn't get any power.
I'd have that vase right now...
But if I had gone alone...



...See you tomorrow.
Okay, I'll see you tomorrow.
